Meeting Minutes Tuesday , January 15, 2013 – 10 serversit is not monitored or maintained by administratansd does not express the views of this university. He apologized on behalf of the board for any pain those comments may have caused to that community. This board reject and condemnany such implications that the tragedy might not have occurred or the pain might necessary be wanted the community to know that the the thoughts, prayers and sympathies of Florida Atlantic University are with them.

Last week, Governor Scott appointed several new members to the Board of Governors. Brief bios were sent to each of trustees.

Stilley noted this was his last meeting as board chair. He thanked everyone for their support the past two years. He said, as chair, you realize how important the yearly board retreats are to the university. The board highlighted two areas to focus on: community involvement and research. Those two items were important to look at for this year and many years ahead.

Many things have happened in the past two years, including the football stadium opening and Innovation Village. People cape if the excitement now everyday on campus. With President Saunders, we have made many more transition with the 50 on the 50 gala. We have also seen the President Saunders thanked Chair Stilley for his generous service as board chair and the university appreciates all the work he has put in as a chair and trustee. She also thanked the trustees that participated in the comencement ceremonies. FAU had 2,474 students graduate. Special honorees were Drs. Joan and Bernard Chodorkoff, Mr. Jay Salkini and Dr. Claudia Hillinger.

The College of Medicine hosted an event for Dick and Barbara Schmidt that **-wasined** by Jon and Bonnie Kaye, with Boca Raton mayor Susan Whelchel serving as honorary chair. There was a surprise announcement that faculty member Dr. Morton Levitt is making a \$3 million donation in support of medical education scholarships. That is the largest donation by a faculty member in FAU history. The university is so grateful for his donation.

Other donations include Louis and Anne Gree expand the Wellness Center and ADT Securities gave a tremendous gift to the football stadium, which included a clock that was from Fenway Park in Boston, Massachusetts.

Former Owl Alfred Morris is now a star running back in the National Football League with the Washington Redskins. He helped the Redskins win their first NF@rfa@stvision Title since 1999. He set a team record of 1,613 rushing yards, which is^d thig best total in NFL history for a rookie. Hescored 13 touchdowns, flashing Owl fingers after each one. More importantly, Morris is great person and role model for all of us.

The National Cancer Inisture awarded a grant in the amount of \$433,500 to Dr. Vijaya Iragavarpu Chayulu in the Charles E. Schmidt College of Medicine. She is testing a theory that lung inflammation could create a favorable environment for the spread of cancer cells from the dore the lung.

Saunders appeared before the Broward and Palm Beach legislative delegradidisscussed how FAU is rebounding from last year's budget cuts. She also met with key legislators from the Tampa Bay area.

Dr. Herb Weissbach has been elected a charter Fellow of the National Academy of Inventors in recognition of his research on the role of oxidative damage in aging and the mechanisms that cells

use to combat this damage. Weissbach is the Director of the Center for Moleology Bind Biotechnology in the Charles E. Schmidt College of Science.

The Florida Commission on the Status of Women has been selected Dr. Josepin Betteokoureceive a 2012 Achievement Award. Dr. BeoBeetts heads FAU's Center for Women, Gender and Sexuality Studies in the Dorothy F. Schmidt College of Arts and Letters.

Last year, all FAU senior staff and president's office staff took an online ethics **contensed** by the State of Florida
