

Faculty Toolkit for Regulation 4.001 (r) . 95089188(I) - 0. 342138(k)

Students may request an [Academic Integrity Seminar](#) by contacting the Dean of Students Office at studentconduct@fau.edu

Upon successful completion of this seminar, the notation regarding violation of Regulation 4.001 is expunged from the official transcript. The grade, however, will remain unchanged and cannot be removed by drop or forgiveness policy. In addition, the notation will remain in internal University student records.

To register for the seminar: <https://integrityseminar.mrooms.net>

- May request for participating in the seminar to have the notation removed from transcript.
- Most students take 1 hour to complete the assignments.
- When complete, the seminar tutor sends a Certificate of Completion and Tutor Analysis within 5 business days after submission.
- Failure to complete the seminar could result in a hold being placed to block future registration for classes.
