

Office of the President
University Policy

SUBJECT:
PROFESSIONAL

- x not conflict with other university policies or regulations;
- x not conflict with university agreements of an exclusive nature;
- x comply with University Regulation 6.008, Purchasing; for purchases in excess of the university's acquisition thresholds, a competitive process or valid exemption shall be used to select a service provider;
- x comply with University Regulation 5.001, University Ethics and Conflict of Interest; and
- x adhere to Florida Statute 112.061 for any travel expenditures, where applicable.

Contracts for medical preceptors or outside legal services also require the approval of the Provost's Office or designee or the Office of the General Counsel, respectively.
