## Florida Atlantic University

## Regulation 3.004 Textbook and Instructional Materials Affordability and Transparency

(1) This Regulation

- (4) When making adoptions, Course instructors shall:
  - (a) Certify that all textbooks and instructional materials sold as part of a bundled package will be used; and
  - (b) If a prior edition is available, state the extent to which the new edition differs significantly and substantively from earlier versions, and document the value to the student of changing to a new edition-or the extent to which an open-access textbook or instructional material is available.
- (5) A list and hyperlink to lists of each required and recommended textbooks and instructional materials for at least 95 percent of all course sections

(6) Consultation with school districts for which there are articulation place shall help identify practices that impact the cost of dual enrollment instructional materials to these districts, including, but not limited	agreements in textbooks and
